This Addendum consists of **one (1) page** including attachments, and forms part of the Contract Documents, and modifies the original Bidding Documents dated June 2014 as noted below

CHANGES TO DRAWINGS:

A None.

CHANGES TO SPECIFICATIONS:

A Specifications;

1 Clarification; Some bid packages may contain specifications where the technical sections 1 thru 9 are out of order. This is to clarify that all sections and pages are in the package.

B General Requirement;

1 Daily / Night Seal; The contractor is responsible to coordinate removal of existing roofing and installation of the new roof system in a manor which does not allow water penetration into existing roofing or the building. In situations where existing is removed and new not installed on the same day, a temporary, water- proof membrane shall be provided.

C Section 07 5323a - Single-Ply / EPDM Overlay;

1 This is to note that "Fleece Back" systems with TPO, Thermoplastic Polyolefin, membranes shall be allowed in addition to EPDM. TPO systems shall be 60 mil thickness, gray color and have a 15 year system warranty. Details shall be as recommended by the manufacturer to achieve the warranty and be in strict conformance with the design intent shown on the drawings. Contractor qualifications remain unchanged and are applicable for all systems.
