Contractor

Window Maintenance at Hudson Ridge Tower

Addendum #1

Q1: Who will be responsible for moving furniture from in front of the windows?

A1: With this addendum RHA is adding the additional task of moving furniture from in front of the windows as needed to access the windows for the repairs and once repairs are made to move furniture back in place. The lay out of the apartments is not conducive for furniture placement in front of the windows therefore any furniture movement should be minimal.
