About Rochester Housing Authority

Established in 1955 as an independent public corporation by New York State Public Housing Law, the Rochester Housing Authority (RHA) serves more than 22,000 lower-income families, seniors and disabled residents in the five-county Greater Rochester area. Approximately 20% of those reside in the 2,400+ RHA public housing units, while others served receive assistance in the form of voucher or certificate programs that help them afford eligible, private housing. In 2015, RHA received a “High Performer” rating from the U.S. Department of Housing and Urban Development.
