

**Proposed Amendment
to the
Rochester Housing Authority's 2017- 2018 Annual Plan
In addition to the existing Attachment 23- New Activities
The following will be added:**

The Rochester Housing Authority is planning on submitting a grant application for FY2018 Choice Neighborhood Planning Grant or other HUD revitalization grant opportunities. The planning grant supports the development of a comprehensive neighborhood revitalization plan which focuses on directing resources to address three core goals: Housing, People and Neighborhood. To achieve these core goals, communities must develop and implement a comprehensive neighborhood revitalization strategy, or Transformation Plan. The Transformation Plan will become the guiding document for the revitalization of the public housing units while simultaneously directing the transformation of the surrounding neighborhood and positive outcomes for families.

The Planning Grants Notice of Funding Availability (NOFA) was announced on April 10, 2018 and is due on June 12, 2018. There will be up to \$5 million for Planning Grant awards, including Planning & Action Grants.

One of the requirements is for RHA to include the intent to apply for this grant in its current Annual Plan. The language in the plan discusses our intent, but does not identify an exact location. The plan is required to be amended and provide additional detail. Public comments are welcome.

The area under consideration for the grant may include all or a portion of AMPs 551 (Bay-Zimmer Townhomes), 554 (Holland Townhomes, Lena Gantt, Harriet Tubman), 561 (Scattered Sites- see below) and 562 (Parkside Apartments, Federal Street Townhouses) located in the CONEA, Marketview Heights and Beechwood neighborhoods.
