

RAISING KIDS IS EXPENSIVE.

RELIEF IS HERE.

NOW GET UP TO \$300 PER CHILD PER MONTH IN CHILD TAX CREDITS.

Recent changes to the IRS Child Tax Credit means parents or guardians can get monthly payments of up to **\$300** per child under 6, and \$250 for children 6 through 17.

Monthly payments will be made from July through December 2021.

- You may qualify even if you don't have any earned income
- There is no cap on the number of children covered
- This does not impact any other benefits you may be getting, like Earned Income Tax Credit, SNAP or Section 8 housing.

If you didn't file taxes this year or last, you need to take action now. We can help make sure you don't miss out on these benefits.
