Mr. Burr CONTINUES to recognize Staff across the Authority who continue to go above and beyond to ensure our high quality of services are maintained and that our resident's and participant's needs are taken care of during this Pandemic. They have been doing a remarkable job! As we are "reopening," great efforts are being made in the planning and execution. Procurement and Maintenance have been extremely helpful. Our employee recognition day is October 26th.

Mr. Burr shared that we did hear from Enterprise on the next steps for the NYS POP grant, and we have sent our signed agreement back that Counsel reviewed. We will now be working with our consultant to move the project forward.

Mr. Burr shared that Trillium's COVID testing/Primary Care services for our residents continues with the October schedule moving along.

Mr. Burr reported Our "Reopening Committee" has been very busy developing plans for RHA to "reopen" in phases. PHASE III is underway, and all Staff are back "in the office." We are working out the kinks to implement temperature checks as part of our daily screening process. The Committee is addressing the opening "doors" that will be open to the public. Continued kudos to Shawanna for taking the lead on this and the countless hours she and the committee have put in.

Mr. Burr reported that discussions continue on the PIH Notices that HUD has issued and eligible expenses we are focusing monies on. It looks like we won't have any difficulty in spending the CARE'S Act funds for Public Housing, as Sinclair has reported. Jacquetta and her team have developed some creative ways to allocate those funds for Section 8 programs we hope to implement on 11/1. We extended the landlord incentive program, and with increased awareness, more landlords are participating. Finance staff are working on the reporting requirements and will ensure we remain in compliance with the tracking and reporting.

Mr. Burr reported that staff had been involved in several community projects, and they will report on them during their Board Reports. RMAPI Housing Committee, City FEC Program Initiative, and Benefits Project are a few that are in the works.
