Mr. Burr would like to recognize Staff across the Authority who continue to go above and beyond to ensure our quality services are performed and resident and participant needs are taken care of especially during this long-lasting pandemic! They really continue to do a remarkable job day in and day out!

Mr. Burr thank all the Commissioners who participated in our Town Hall meeting! It was a great success and we have received many positive comments. We will be conducting two Town Hall meetings per year, with the next being in late October and then the following May. We will add an hour to the event time and ensure that all departments have an opportunity to present to staff.

Mr. Burr gave kudos to all who planned and participated in our “Ice Cream Social” on 7/21! The weather sure cooperated with sun and warmth which made the ice cream most enjoyable!

Reminder: our RHA Summer Picnic will be held at Ontario Beach Park on Friday, 8/12 from noon to 4:00. We hope you all can attend

RHA continues to monitor the pandemic conditions. The Executive Team monitors current conditions daily and meets weekly to review discuss our processes.

7. Our 117 Emergency Housing Vouchers by HUD as a result of the RESCUE Plan, 114 have been issued in accordance with the process we developed with the Continuum of Care. We have housed 76 applicants so far and 37 are searching for housing. The RHA team has done a great job implementing and continues to assist those looking for units.

8. Our Community Choice Demonstration RHA Team is working very hard on this with the HUD team. The RHA Team continues to move the project forward meeting regularly with HUD and its consultants. We have a contract approved by legal that has been signed and we are moving forward with the next steps.
9. Trillium’s COVID testing/Primary Care services for our residents continues with July’s schedule moving along. We will be continuing our partnership and expanding services where we can. Melissa and Harolda are also working together to facilitate COVID Booster clinics at our sites in partnership with the Health Dept and will update in their reports.

10. I am very proud of the staff involved in community projects and report on them in their Board reports. RMAPI Housing Committee which will now be a Housing Working Group which will focus on our community’s full housing system, City FEC Program Initiative, Connected Communities Housing Committee, Private Sector Rental Market Study Working Group, Eviction Response Team, and Benefits Cliff Project are a few that are in the works. I really appreciate their efforts in representing RHA on critical projects in our community and their extra efforts are commendable.

11. Our Strategic Goal Tracker will be commencing, and we will report on a quarterly basis.

12. The Annual Plan draft has been submitted to the HUD Field Office for their review and approval.

13. The final draft of the North Inner Loop Planning project can be found here: Inner Loop North | Transformation Study | Rochester, New York. We have a meeting with the City scheduled to identify the role(s) that RHA will be involved with.

14. I am also participating in the “Peer Cities Challenge” on the Rochester team. Rochester was one of nine cities selected to participate and The Challenge connects cities through a series of meetings and resources to learn from each other about what is working and not working relative to the housing needs of the respective communities in an effort to advance housing goals. We meet regularly and is great to hear what other Cities are doing. Housing Solutions Lab Announces Peer Cities Network Selections – NYU Furman Center Additional will be joining me on the different cohorts.

15. RHA is also participating in discussions on how we can implement a “Public Housing – Public School Partnership” that addresses homelessness in school-age children and their families. Boston has implemented a successful model and we are looking at how that could work here in Rochester. The team continues to meet and strategize on how we can implement something like that in Rochester. Boston Housing Authority - Boston Housing Authority

16. NYSHPADA Update: The Legislative Committee continues to work hard on advocating at the State level for funding for PHA’s, especially upstate. We continue to push for more ERAP funds for upstate PHA’s as we all have significant arrears continues and RHA is lucky that the City and County did such a good job administering these funds.
17. HUD Receives Significant Funding Increase in House Proposal

On June 30, the House Appropriations Transportation-HUD Subcommittee approved legislation that would increase HUD funding by $8.9 billion or 17%, in order to combat the impacts of inflation and rent increases. The legislation was passed by a voice vote with no amendments. It now moves to the full Appropriations Committee, which will consider the bill on June 30. Overall, the Transportation-HUD bill was increased by $11.5 billion, 77% of which was allocated to HUD. The strong preference for HUD funding ensured that all HUD accounts were either increased or at least level funded. NAHRO thanks its members for being strong advocates for HUD programs and the House Appropriations THUD subcommittee for recognizing the importance of HUD programs. NAHRO also urges its members to continue to thank their elected representatives to thank them for these increases and to keep them informed about local housing and community development needs. To read NAHRO's in-depth analysis on the legislation visit: www.nahro.org/FY23HouseApprops. Find a summary below:

- Public Housing Capital Fund: $3.4 billion, $200 million higher than FY 2022

*Resident Computer Labs & JWRC Office Technology Survey + Remediation*

**Summary:** IT is in the process of sweeping through all resident labs and JWRC offices to assure all systems are complete and functional.

*Computer Network Modernization (14 sites)*

**Summary:** This is a non-trivial upgrade of our building-to-building networks that is required in order to support other initiatives including upgraded telephone services, expanded video safety services, and upgraded access control services.

*Telephone System Modernization (14 sites)*

**Summary:** RHA is in the process of moving from Windstream services to Frontier. Doing so will stabilize existing telephone services and reduce their cost until we can upgrade to a modern telephone system.
Video Safety and Access Control (14 sites)

Summary: Input from a wide range of stakeholders is driving a data-gathering and functional requirements document that will be used to release an RFP to update and simplify both systems.

HCV/Section 8 Document Archive Scanning

Summary: Paper records housed for Leasing Operations / Section 8 are being electronically scanned and directly attached to Tenmast WinTen2+ resident records. Additionally, IT has provided document scanning equipment to allow LO staff to directly scan new paper documents and upload them without delay. Administrative Wi-Fi Modernization

Public Self-serve Kiosks

Summary: RHA subscribes to several “portals” that allow the public to interact with RHA staff electronically. However, not all residents have computers to access them. RHA has acquired two (located at 675 W. Main and 270 Lake Ave.). LO will administer them. Onsite Kiosk User-Coaches will be identified and trained.

Affordable Internet for Residents

Summary: E.D. Burr directed RHA to find a way to help residents better afford Internet access when desired. IT is launching a campaign to both inform all residents of the Federal Subsidy program (reducing costs by $30/month) and coach them through the application process with the help of Resident Services staff.

Capital Projects Archive Upgrade

Summary: An outdated Microsoft Access database is being used to index-and-track archived Capital Projects data. A modern replacement is needed. Key stakeholders have been identified and interviewed to determine their needs.

Covid Temperature Kiosks

Summary: HR has discontinued service for the devices as they are no longer being used. The devices need to be removed and secured for potential future use. Completed

MRI Tenmast/WinTen2+ Migration to Tenmast/Citrix

Administrative Wi-Fi Modernization

Summary: RHA staff have had their desktop computers replaced with laptops. While remote access is allowed, we have a poorly-aging in-building Wi-Fi system that needs to be replaced to allow full mobility. Stakeholders were engaged to create “desired coverage” areas and capabilities in each RHA building (along with the ability to support future expansion) and those inputs shall be cited in an RFP.
8. **Public Housing Report**

**Public Housing Activities:**
- We are starting to see progress with the dumpster at Bronson Court, hopefully, basements will be clean enough for Capital Projects to start on the furnaces and hot water tanks.

Along with assistance from 585 SNUG, Pathways to Peace, and RPD Community Affairs Bus which were on-site to assist the family and residents. We are planning a Town Hall meeting with residents to address concerns.

**COVID Matters:**
- Building Security – RHA visitor restrictions are still in place, with visitation hours from 7:00 am to 11:00 pm. Residents and visitors are required to wear masks when outside of their units. Everyone is encouraged to social distance. Resident notices have been delivered, reminding of current restrictions and safe practices.

- Disinfection of the main lobby areas, elevators, and door handles is performed in-house with the Purus system.
- Community rooms reopened effective April 4, 2022, for Resident Council meetings only.

- APC exhausted the 1-bedroom list in June.
- APC will no longer extend any offers to fill Glenwood Gardens Apts vacancies due to pending RAD conversion

Online Applications:

- APC continues to accept online applications for studio apartments only with no issues.
- Reviewed the current wait lists: determined that the current waiting period for the oldest application on the 1-bedroom waitlist is 28 months (oldest: 2/20/20). Application Processing Center has been pulling 200-400 1-bedroom applications every month since February to address the 1 bedroom vacancies. At this rate, we will have exhausted the waitlist by September 2022; therefore, APC will reopen the 1-bdrm waitlist on/by July 18, 2022. We have exhausted the waitlist and the online application portal has been opened as of July 5, 2022.
Unit Offers:

- Current applications in Screening and Intake Phase as of 6/30/22

Currently being screened - 12 applications
- Studio/1 bedroom – 12 applications
- 2+ bedrooms – 0 applications

9. Maintenance Report

Robert Croston

- Vacant Unit Report
  The Maintenance Department continues working hard to keep up with the number of new vacancies. The numbers are still high on move-out and skip-outs, but Maintenance will continue to make rehabs a high priority to provide Public Housing units to rent for our new residents.

  We have hired two new Maintenance Mechanic and continue to do any interviews that Human Resources brings to the Maintenance Department.

- Site Beautification
  - Maintenance and Public Housing Departments has started working together on a program to continue the upgrade of the outside of our sites.   - Commissioner Cummings found a program through The City of Rochester to provide the residents with plants, dirt, and mulch to set up gardens in front of the houses. Working with an ex-RHA employee who volunteers for the City of Rochester on this program, we started planting gardens at Lena Gantt and William Warfield on 6/4/2022. We are hopeful that if it is successful, we could expand this program to other sites next year.

HUD Community Choice Demonstration (formerly Mobility Demonstration)

As previously reported, RHA was one of nine (9) PHA’s selected to join the HUD’s HCV Mobility Demonstration Program. The program is now known as Community Choice Demonstration. Briefly, this is a 6-year demonstration program designed to increase participation for voucher families with children with better access to low-poverty neighborhoods and other areas of opportunity with high-performing schools and other strong community resources.

RHA has been meeting with consultant agency FirstPIC on a weekly basis to continue discussing processes and mitigating any barriers. The goal is to complete implementation so that we are ready for the September 2022 program pilot date. HUD has approved RHA’s waiver request to establish different payment standards for participants in the CCD Voucher Program. RHA will be applying these higher payment standards to Opportunity Areas where we have established Small Area Fair Market Rents (SAFMRs).

- We continue to work with our internal team and our consultant team of D+B/Calogero on a preservation plan for a portion of the RHA Public Housing portfolio as part of the New York State Preservation Opportunity Program (NYPOPOP) grant. NEPA reviews and RAD Physical Conditions Assessments and Environmental testing on most all of our PH properties have been completed and are under review. Financing plans are being worked on. We are also prioritizing properties, starting with our Section 32 Homeownership candidate pipeline.
- We currently have four projects out to bid.
- Our MWBE & Section 3 Contracts report was presented and will continue to be updated each month.
- The status of our current CFP Budgets as of June 30th are: 501.18 budget is 100% obligated and 100% Expended - 501.19 is 100% obligated and 94% expended, and 501.20 is 43% Obligated and 22% Expended. RHF Funds grants as of December 31st are: 502.13 is 100% obligated and 100% expended, and 502.14 is 100% obligated and 64% expended. We are using these funds to cover eligible RAD project costs.
- We then discussed our A/E status report, and no issues were present.

**Project Planning**

- Our Project Planning meeting followed the Committee meeting, and updates were given on our development projects starting with our RAD project at Federal St/Scattered Sites. We continue to work with our developer partner to move the Federal St project forward in coordination with NYS HCR, NYS OTDA, HUD, and City of Roch. City Council approved the Home Funds loan for the project on 7/19/22. We are communicating regularly with HUD on the RAD conversion and the City on the coordination between agencies as the project moves forward. A resident meeting was held, and staff will be meeting 1:1 with residents that will need to move while their unit is being renovated now that we have a draft timeline. More resident meetings are being scheduled at all sites to bring residents up to speed. Todd Bullard is involved from here on out with preparing necessary resolutions and representing RHA through the closing process.
- Our next RAD project will be Parliament/Luther, and we are working with our development team. Design plans for renovation and redevelopment are being finalized by our A/E and environmental firms. Weekly meetings continue. Resident meetings are being scheduled.
- Our Glenwood-Fernwood development project is moving along, and we hoped to combine it with the RAD project as a more competitive LIHTC application. Currently, we are envisioning a first phase at Fernwood with a multi-unit building. We continue to fine-tune the design to be ready for the next LIHTC RFP. We will schedule more resident meetings at Glenwood. We are “crunching the numbers” and will need to look for alternative funding to ensure a viable project.
- Atlantic Townhouses Site Upgrades (Design Phase)
  - This project is out to public bid with a bid opening scheduled for July 28th, 2022.
- Lexington Court Interior and Common Area Upgrades (planning Phase)
  - The architect is preparing bid-ready documents incorporating the expressed desire of the stakeholders. (There are no upgrades for this project)
- Bronson Court Site Upgrades —
RHA has hired HUNT Architects & Engineers to design improvements to this site's building exteriors and landscape. This Project will fall under the "Changing the face of Public Housing" initiative. The replacement of all old roofing will be the Phase I for this project. Phase II will include new siding, porches for the front of the units and smaller decks for the rear. Phase III will incorporate landscaping with gazebo, picnic tables, centralized grills and light poles in each of the two courtyards. Phase I in final design phase for the roof replacements. Will be a winter bid project. Phase II in process for Construction Drawings.

- Change the Face of Public Housing project at Bond/Hamilton is moving along with the SAC application process for the demolition phase. We are working with the residents to determine relocation needs for each ahead of time. We are also working on the resident relocation plan. We are working with the City on the NEPA review, which is required to move forward with the HUD and City processes.
- The next steps for our Change the Face of Public Housing project at Edinburgh Street are the SAC application for demolition and the final plans and specifications for bidding.
- We discussed the Holland Townhouse Site Improvement Project; the Traffic Control Board approved the plan. I have discussed this with the City on a possible right of way that will allow the City-owned portion to become RHA property. More discussion with our City partners needs to take place, and the City team will be scheduled.
- Our seven Section 32 homeownership homes SAC applications will be completed soon, but we did have a few drops off as their situations have changed. We have also received 39 responses to a survey sent to our public housing single-family scattered-site residents to see who is interested in purchasing their home. These addresses are a priority for our PNA process, and we will advise of the recommendations when finalized. Melissa's team is working with each resident to determine eligibility and a path forward for them. The plan is to create a pipeline of residents and units and work with our HUD Field office and SAC to determine best path forward for submitting applications to them. We are using NYSPOP funds to perform physical needs assessments on each home and determine what repairs we will make before ownership is transferred.
- RHA's mold remediation grant under the Housing-Related Hazards Capital Fund Program in the amount of $896,649 is moving forward, and the priority sites are Holland Townhouses and Bay-Zimmer to start. A scope is being created, and design professionals are procured.
- We then reviewed the projects in the CFP Project Pipeline, which are all in various stages of planning and design.
